<b>Comments :</b>	
-------------------	--

Please indicate in the Comments section whether you require us to arrange shipping of returned tools (transport cost for client’s account) or whether you will make your own arrangements for collection. Test Certificates will be emailed to the sender of the tools. Otherwise, please provide alternative instructions in the Comments section above.

**NOTE:** Any specific requirements regarding test certificates (e.g. individual certificates for different work locations) must be specified prior to testing.
